► Grafičko praćenje napredovanja

The screenshot displays the JIRA interface for the 'Angry Nerds' project. The left sidebar contains navigation links: Summary, Issues, Road Map, Agile, Change Log, Calendar, Versions, Components, Labels, and Test Sessions. The main content area is divided into several sections:

- Summary:** The top section, featuring a description of the project and a 'Versions: Due' table.
- Issues: Due:** A list of issues with their keys and descriptions.
- Issues: 30 Day Summary:** A chart showing the number of issues created and resolved over a 30-day period.
- Activity Stream:** A feed of recent activity, including comments and status changes.

Summary Details:

- Description:** The Development project of the award winning game Angry Nerds
- URL:** <http://www.atlassian.com/en/angrynerds>
- Lead:** Anton Mazkovi [Atlassian]
- Key:** ANERDS

Versions: Due

Version	Release Date
1.0	30/Sep/11
1.3	11/Nov/11
1.2	28/Oct/11

Issues: Due

- ANERDS-8**
This really needs to be fixed with extra importance.
- ANERDS-9**
I think you should be removing class fly2 instead of fly 3
- ANERDS-13**
Looking good.

Issues: 30 Day Summary

The chart shows the number of issues created (red line) and resolved (green line) over a 30-day period. The x-axis represents dates from 21-Sep to 12-Oct. The y-axis represents the number of issues, ranging from 0 to 11. The red line shows a sharp increase in late September, peaking at 11 issues. The green line shows a steady increase, reaching 5 issues by mid-October.

Activity Stream

- Angry Dev** linked 2 issues. These should be resolved together.
- ANERDS-14** - As a Top Score user I would like to unlock new levels. is duplicated by **ANERDS-63** - Pro Level. 1 hour ago
- Angry Dev** started progress on **ANERDS-45** - Change colour of buttons on main screen. 1 hour ago

► Pretraživanje zapisa

The screenshot displays the Atlassian JIRA user interface. At the top is a dark blue navigation bar with the JIRA logo and various menu items: Dashboards, Projects, Issues, Service Desk, Agile, Capture, Tempo, and Portfolio. A 'Create' button is also present. A search bar is located on the right side of this bar. Below the navigation bar, the left sidebar contains a 'FILTERS' section with a 'New filter' button and a list of filters: 'Find filters', 'My Open Issues', 'Reported by Me', 'Recently Viewed', and 'All Issues'. Below these are 'FAVORITE FILTERS' with the message 'You don't have any favorite filters.' The main content area is titled 'Search' and includes a 'Save as' button. It features a search bar with the text 'Contains text' and a 'More' dropdown menu. Below the search bar, there are filters for 'DMPR', 'Type: All', 'Status: All', 'Unassigned', and 'Resolution: Unresolved'. The search results area is empty, displaying a message: 'No issues were found to match your search. Try modifying your search criteria or creating a new issue.' A document icon is shown next to this message. At the bottom left of the sidebar, there is a 'Got Feedback?' button.

The screenshot displays a Confluence page for a meeting held on March 21, 2013. The page is titled '2013-03-21 - SeeSpaceEZ Meeting Notes' and is located within the 'Marketing Home' space. The sidebar on the left contains navigation icons for home, documents, feeds, attachments, and a search icon. The main content area includes the following sections:

- Date:** 21 March 2013
- Attendees:** A list of three participants: Harvey Jennings, Ryan Lee, and Alana Grant, each with a small profile picture icon.
- Goals:** A single goal listed: 'Review venue options and presentation deck for Spring SeeSpaceEZ Roadtrip 2013'.
- Discussion Items:** A table with four columns: Time, Item, Who, and Notes. The table contains two entries:

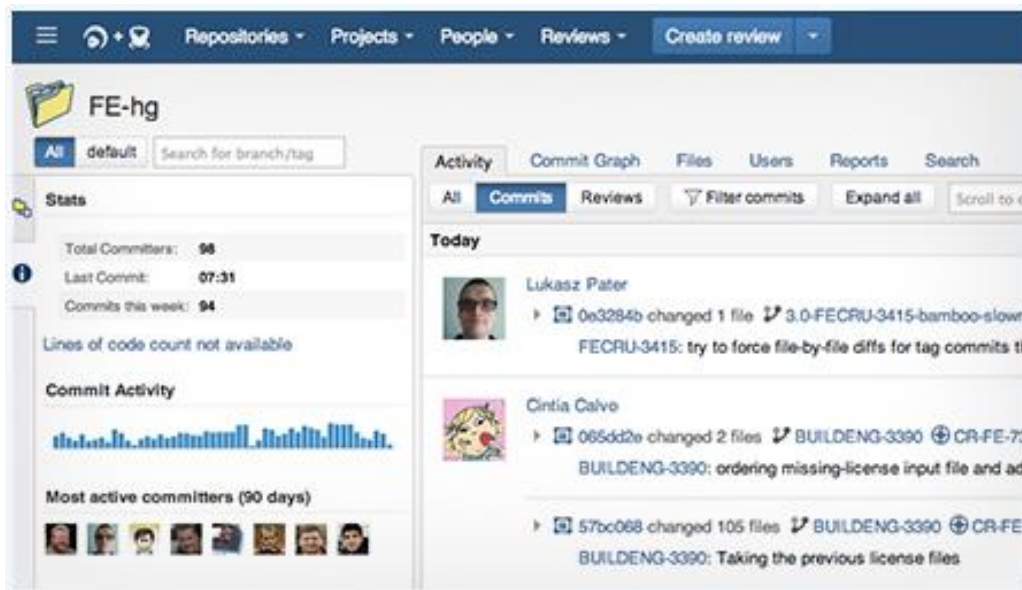

Time	Item	Who	Notes
10 mins	Review Roadtrip Venue Options		
20 mins	Review presentation deck		

On the right side of the page, there is a 'Presentation Deck' section. It features a large slide with a light blue background. The slide contains the 'Teams In Space' logo (a stylized rocket ship) and the text 'Roadmap Update'. Below the slide, there are navigation controls including arrows and a search icon.

Atlassian Jira Agile

- ▶ JIRA Agile dodaje Vašem timu komponentu agilnog projektnog menadžmenta za svaki JIRA projekt
- ▶ JIRA Agile je savršen za iterativne metode planiranja (Scrum) i praćenje napretka (Kanban/Lean)
- ▶ JIRA Agile radi na principu virtualnih indeksnih kartica, gdje svaka kartica predstavlja jedan zadatak
- ▶ Na kartici može vidjeti tko je zadužen za pojedinu karticu/zadatak
- ▶ Značajke: praćenje zadataka i vremena, dijagrami i izvještavanje čine ova alat poželjnim za svaki tim koji radi po agilnim metodama, bio on novi ili iskusan

Atlassian JIRA konektori (Eclipse)

The screenshot displays the Eclipse IDE interface with the following components:

- Package Explorer (Left):** Shows the project structure for `org.eclipse.myllyn.jira.core`, including sub-packages like `src`, `org.eclipse.myllyn.internal.jira`, and `org.eclipse.myllyn.internal.jira.ui`. Key files include `JiraCorePlugin.java`, `AbstractJiraClient.java`, `JiraClient.java`, and `JiraRpcClient.java`.
- Editor (Center):** Displays the `JIRA-4772: Log support requests on support.atlassian.com` issue. The issue details include:
 - Status:** Open
 - Priority:** Minor
 - ID:** JIRA-4772
 - Created:** 2004-10-05 00:30
 - Modified:** 2007-04-16 19:10
 - Attributes:** Project: JIRA, Type: Improvement, Estimate: 0, Components: Remote API (SOAP), Renderers.
 - Description:** Currently, JIRA's "Send support request" page sends an email to `jira-support@atlassian.com`. It would be better if it submitted a JIRA issue to <http://support.atlassian.com> via SOAP/XML-RPC. The page could then return to the user with a URL to the raised issue.
 - Comments (0):** A new comment is being entered: `- Error Log -- Date: Thu Nov 15 05:37:45 GMT 2007 Message: Unhandled event loop exception Severity: Error Plugin ID: org.eclipse.ui Stack Trace: java.lang.NullPointerException at org.eclipse.myllyn.internal.jira.core.service.soap.JiraRpcClient.createIssue(JiraRpcClient.java:296) at org.eclipse.myllyn.internal.jira.ui.JiraTaskDataHandler.initializeSubTaskData(JiraTaskDataHandler.java:628) at org.eclipse.myllyn.internal.jira.ui.actions.NewSubTaskAction.run(NewSubTaskAction.java:74)`
- Task List (Right):** Shows a list of JIRA issues, including `JIRA-9350: Investigate and ch`, `JIRA-6520: Document how to`, `JIRA-9050: Would like to be al`, `JIRA-9567: SyncML integration`, `JIRA-6984: Add service to get`, `JIRA-5400: Extra SOAP and X`, `JIRA-5715: Create new pro`, and `JIRA-9418: setArchived and s`.
- Problems (Bottom):** Shows a list of problems, including `org.eclipse.myllyn.jira.core`, `src/org/eclipse/mylyn/inte`, `JiraClient.java 1.13 - 1.`, and `JiraRpcClient.java 1.18`.
